WHO'S FEATURED?

IS HERE

The Wilds Cooperative of Pennsylvania (WCO) is a value chain network of juried visual, craft and food artisans; creative industries partners; retailers and more -- all of whom call the PA Wilds home. These artisans' goods reflect the beauty, bounty and rural traditions of our region. And the places that sell those goods make it easier for shoppers to "take home a piece of the PA Wilds," a brand with true retail power! The WCO helps make the connection -- and this guide is a product of that effort.

the Wilds JURIED coop ARTISANS era of tive PENNSYLVANIA

Juried Artisans are the talented makers at the heart of the Wilds Cooperative of Pennsylvania.

The Juried Artisan program includes Food, Craft and Visual artisans. There are two levels of Juried Artisans: Basic and Professional. Basic Members are those who are admitted with a jury score between 100-300 - OR - those with a higher jury score who elect to enroll at this level. Professional Members are those who are admitted with a jury score above 301.

* Only Professional Level Juried Artisans are included in this Buyer's Guide
